## Cancellation of outstanding financing preference shares has been effected

Rotterdam, 5 January 2015

Vopak announces that today it has received confirmation from the Rotterdam District Court that no opposition has been filed against the cancellation of all outstanding financing preference shares. The cancellation of all 41.4 million outstanding financing preference shares in the amount of EUR 44 million (par value EUR 20.7 million and share premium EUR 23.3 million), as announced in Vopak's press release of 20 August 2014, took effect on 1 January 2015.

### Profile Vopak

Royal Vopak is the world's largest independent tank storage company by capacity, specialized in the storage and handling of oil products, liquid chemicals and gasses. As per 5 January 2015, Vopak operates 80 terminals in 28 countries with a combined storage capacity of 34.0 million cbm, with another 4.0 million cbm under development, to be added by 2017. Vopak's mission is to ensure safe, reliable and effective storage and handling of bulk liquid products at key marine locations that are critical to its customers around the world. The majority of its customers are companies operating in the oil, chemicals and gas sector, for which Vopak stores a large variety of products destined for a wide range of industries.

Vopak's strategic focus is on four categories of terminals: Major hubs, supporting intercontinental products flows; Terminals facilitating growth in global gas markets; Import distribution terminals in major markets with structural deficits; Industrial and chemicals terminals, in the Americas, the Middle East and Asia.
