Antwerp, Belgium

Project team

Tim Van Tongerloo, Joost Nys, Mike Van Dorst, Paul Vermeulen, Nick Poelmans, Peter Wydooghe and Erik Van Goethem.

Project goal

To develop talents of young people with sports and related activities.

Program

Vopak Belgium is stepping up its partnership with KRAS, an organization that provides opportunities to over 4,500 disadvantaged, vulnerable teenagers in Antwerp. Vopak colleagues aims to help the organization further professionalize and develop its program, by including training on safety, developing talents and helping youth to find jobs.

What has been realized so far

Winter jackets have been acquired for KRAS, the partner organization, and Vopak colleagues paid visits to several sports activities with the youth, including a soccer competition.

Calendar

The partner organization has been offered help to further professionalize their organization. This will be realized in the course of 2016.
